- ☐ **RTC**, Rally Trial C: hold RNC, RAC, REC and RMC
- ☐ **RTCH**, Rally Trial Champion: 100 Excellent B and 100 Masters B points from same-trial double Qs, with five 195s in each

Every RTCH after the first (RTCH-2, RTCH-3) takes another 100 + 100 points and five more 195s in each class.

RTCH points per Excellent B or Masters B score: 191 earns 1, 192 earns 2 and so on up to 200, which earns 10. A Q of 170 to 190 earns 0, and both classes must qualify at the same trial for either to earn points.

## Track your Qs and RTCH points with us

Dog Title Tracker keeps count of every Q, X score and RTCH point. Add each run after the trial and it pairs your Excellent B and Masters B runs into double Qs and shows what's left for the next title.
